Angela,

Of course we are pleased and anxious to work with Boeing. However, Wilson Aerospace has several issues concerning Boeing that Wilson Aerospace's attorneys are working on.

Therefore, we cannot respond to the inquiry at this time.

Regards,  
Caroline

Good Morning Caroline, this has become critical that we receive a response from you. The program is needing status.

Your demonstration of your willingness to continue to work with Boeing is needed.

If we need to talk please let me know and I will arrange.

Thanks

Angela,

We are dealing with a family emergency at this time.  
Confidentially, David's dad is dying, so please understand we are not ignoring your request for information.  
We hope to be more responsive soon.

Caroline
